

WINTER PUMP REBUILD PROGRAM

Save over \$180.00 & receive a 6 month warranty when we rebuild your airless pump!

Offer valid October 15, 2018—February 15, 2019

From October 15, 2018 until February 15, 2019, Newstripe is offering a deal on a complete rebuild of your NewStripe line striping machine's airless pump. All you pay is \$400.00, and we will rebuild your airless pump and warranty it for 6 months.

The \$400.00 payment covers all costs, including:

- Shipping
- Labor
- New pump block
- All new valves
- Diaphragm kit
- Oil Change

This is normally a \$588.18 value, which gives you **A TOTAL SAVINGS OF \$183.18**.

In addition, the rebuild program **SAVES YOU OVER \$600.00** as compared to getting a brand new pump, which would normally cost \$975.00 plus shipping.

NOTE: To qualify for this deal, the condition of the pump must be deemed repairable upon inspection.

Call 1-800-624-6706 to get your return shipping label today!

All the parts that come with the rebuild:
