Paint Capacity	5 gallon pail
Dimensions	36" L x 22" W x 23" H
Warranty	12 Months
Shipping weight	29 lbs.
Includes	Four, Flat Free wheels

Premium Performance, Economical Price

With the Ecoliner™ Battery Powered Field Striping Machine

Product Features

Paint Fields in Half the Time: The efficient spray nozzle design paints high-quality lines the first time, eliminating the need for tedious touchup and repainting of lines for increased visibility. Plus, the line width is fully adjustable from 2"-6", allowing for greater flexibility to meet your field marking needs.

No Clogged Tips: The Ecoliner™ Plus Field Striper features a large mesh filter on the intake hose with an additional inline filter and check valve to eliminate clogged tips and messy dripping. Cleaning the filters and tips takes less than 30 seconds.

Hassle-Free Clean Up: When finished painting, simply flush clean water through the spraying system and the machine is ready for your next field marking job. Plus, the EcoLiner™ Plus has an onboard clean water reservoir that allows for instantaneous cleaning of the spraying system without the need of additional water buckets and containers .

No Flat Tires: Perfect for use on athletic fields, the No Flat Tires will never need inflating and have a knobby thread that meets the rigorous demands of uneven turf.
