

Newliner™ 25lb Dry Liner

Product Overview

The **Newliner™ 25lb. 2 Wheel Dry Line Marker** machines are ideal for those on a tight budget needing a quality, American made chalker. They are ideal for lining baseball infields, athletic fields, running tracks, cross country courses or special events.

The Newliner™ 25lb 2 Wheel Dry Liner features:

1. Foldable handlebars with grips for better control
2. Galvanized steel material containers to prevent rusting.
3. Six-blade paddle for consistent lines
4. Original American made infield chalker

Product Benefits

Rugged Construction – Foldable handlebars allow for easy transport and galvanized steel material containers prevent rusting along with 1/2 inch axles and drive shafts for strength and long life. Don't be fooled by the cheap, offshore copies.

Easy to use – Precision control for 2 inch or 4 inch lines. Oversized foam rubber hand grips for increased operator comfort.

Efficient Design – 8" semi-pneumatic wheels provide straighter lines. Oversized foam rubber handgrips for increased operator comfort.

American Made – Proudly made and assembled in the USA at our Aurora Colorado facility and is TAA compliant.
