

### Product Benefits

**Brighter Lines** – The fully adjustable pump allows you to apply the perfect amount of pressure to produce a high quality line without wasting paint.

**Easy To Use** – The airless pump pulls the paint directly from any standard 5-gallon pail. A universal lid snaps on any pail to prevent spills. Handle mounted spray controls and cushioned grips relieve operator fatigue when striping long lines on paved areas or athletic fields.

**Easy Cleanup** – Color changes and clean up can be done in less than 5 minutes. Simply remove the pail with unused striping paint, place a half filled pail of water or solvent (depending on the paint) on the machine and flush the system. Run the liquid pump protector through the system, and you are ready for the next striping job.

### Product Overview

The Newstripe 4250™ Airless Striping Machine is our most economical high pressure airless striper. The lightweight design of 105 lbs makes it easy to push across the roughest athletic fields while producing bright, straight, 2 inch-6 inch wide lines.

### Fast and Simple to Use

1. Works on Athletic fields and Pavement for ultimate versatility.
2. The 3000 psi adjustable pressure pump lets you spray perfect lines without wasting paint.
3. Dual handles with cushioned grips and all welded steel construction
4. It's unique, simple design is easy and inexpensive to maintain.
5. Quickly change your paint colors.

### Specifications

Item Number	10003947
Application	Athletic Fields and Pavement
Power Source	Engine, 140cc Briggs & Stratton, 550EX
Pump Detail	Newstripe- Airless, .34gpm, adjustable 0-3000 psi
Paint Capacity	5 gallon pail
Dimensions	37" L x 24" W x 28" H
Warranty	18 Months
Shipping weight	105 lbs.
Includes	Airless, spray gun with reversible tip. 2"-6 adjustable line width, 25' hose, 5 gallon pail. Four, 10" pneumatic tires

## Premium Performance, Economical Price

With the 4250™ Airless Striping Machine

## Product Features

**Easy Clean Up:** The optional 1 gallon optional cleaning tank lets you clean your spray gun and hoses without leaving the field . Quickly and easily attaches to the left side of the machine.

**Detachable Handgun:** A quick release clamp allows you to remove the spray gun to paint stencils, curbs, and hard to reach areas with a 25 foot length hose. An optional rear caster is also available for spraying arcs and circles.

**Eliminate Waste:** The 3000psi adjustable pressure pump lets you spray perfect lines without wasting paint. You control the amount of pressure to apply resulting in a higher quality line .

**Straighter Lines:** The 10 inch pneumatic tires and four wheel design provides straighter lines when striping all types of surfaces, from smooth concrete to rough athletic fields.
