

EcoLiner™ Standard Battery Powered Field Striper 10004483

Benefits

- No Messy Pouring**
 Simply place a 5-gallon pail of premixed paint on the machine and you are ready to go.
- Safe Operation**
 No pressurized tanks and no need to release pressure to add paint or clean.
- Easy Cleanup**
 Color changed and clean up can be done in less than 5 minutes. Simply remove the pail with unused striping paint, place a half filled pail of water on the machine and flush the system. Now you are ready for your next striping job.
- Built to Last**
 Made in the USA with welded steel construction and quality components to provide you with years of trouble-free service.

Overview

The **EcoLiner™ Standard Plus Battery Powered Field Striper** features a heavy duty, diaphragm pump powered by a 12-volt deep cycle battery. Quickly and easily paint professional quality lines for hours on a single battery charge. No expensive gasoline engines or compressors to maintain.

EcoLiner™ Standard Battery Powered Field Striper 10004483

Product Features

Paint Fields in Half the Time

The efficient spray nozzle design paints high-quality lines the first time, eliminating the need for tedious touchup and repainting of lines for increased visibility. Plus, the line width is fully adjustable from 2" to 6", allowing for greater flexibility to meet your field marking needs.

No Clogged Tips

The EcoLiner Standard Battery Powered Field Striper features a large mesh filter on the intake hose with an additional inline filter and check valve to eliminate clogged tips and messy dripping. Cleaning the filters and tips takes less than 30 seconds.

No Messy Pouring

Simply place a 5-gallon pail of premixed paint on the machine and you are ready to mark your field. Plus, changing colors is fast and easy to do with the operator friendly design.

No-Flat Tires

Perfect for use on athletic fields, our No-Flat Tires will never need inflating and have a knobby thread that meets the rigorous demands of uneven turf.
