## EcoLiner™ Plus Battery Powered Field Striper 10004484

### Product Features

#### Paint Fields in Half the Time

The efficient spray nozzle design paints high-quality lines the first time, eliminating the need for tedious touchup and repainting of lines for increased visibility. Plus, the line width is fully adjustable from 2" to 6", allowing for greater flexibility to meet your field marking needs.

#### No Clogged Tips

The EcoLiner Plus Battery Powered Field Striper features a large mesh filter on the intake hose with an additional inline filter and check valve to eliminate clogged tips and messy dripping. Cleaning the filters and tips takes less than 30 seconds.

#### Hassle-Free Clean Up

When finished painting, simply flush clean water through the spraying system and the machine is ready for your next field marking job. Plus, the EcoLiner Plus has an onboard clean water reservoir that allows for instantaneous cleaning of the spraying system without the need for additional water buckets and containers.

#### No-Flat Tires

Perfect for use on athletic fields, our No-Flat Tires will never need inflating and have a knobby thread that meets the rigorous demands of uneven turf.
