# ProLine™ Field Layout System

## Your ProLine Field Layout Kit Includes:

- ProLine Markers
- Starter Tool
- 600' Line Cord

## INSTALLATION

- 1) Starting in one corner of your field, drive the starter tool into the ground. Remove the starter tool.
- 2) Carefully tap or push one of the black ProLine Markers into the hole made by the starter tool. Measure to next the desired areas (corner, centerline, yard line, etc.) and place additional markers.

**HELPFUL HINT:** To make sure your field is square (corners at right angles), place the four corner markers first, then measure from the corners diagonally. If both measurements are equal, the field is square.

- 3) Starting in one corner, tie a loop in the end of the line and place it around the center of the first marker. String the line to each marker and then wrap it around the center before continuing on to the next marker.

**You Are Now Ready to Professionally Stripe Your Field.**

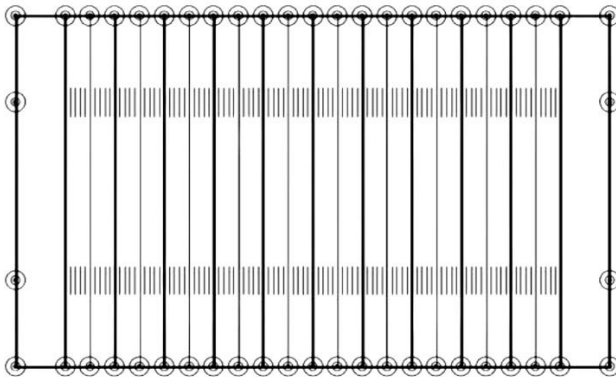

# ProLine™ Field Layout System

## FIELD LAYOUT GUIDE

The ProLine™ Field Layout System makes it easy to permanently locate key measurements for any sports field, eliminating repetitive measurements. Once in place, simply connect the line to the markers and then begin striping. Anchors for the line are built into the markers so they cannot get lost. If previously marked lines become too faded to follow for re-striping, the markers are still in place. Just re-striping the particular area and your marked lines are relocated exactly.

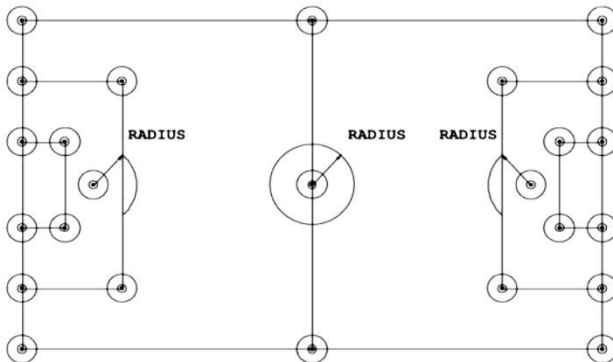

Basic sets layout the principle marking of a playing field. Additional markers, available in 10 piece sets, may be used to locate inbound lines, coach, team, penalty areas, and more.

### FOOTBALL

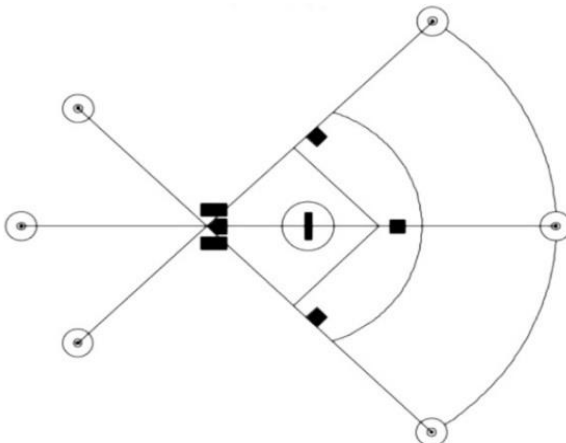

**50 Piece ProLine Kit:** Marks the 5 yard increments, the end zone, and the inbound hashmark positions of a football field.

### SOCCER

**25 Piece ProLine Kit:** Marks the layout of an entire soccer field.

### BASEBALL/SOFTBALL

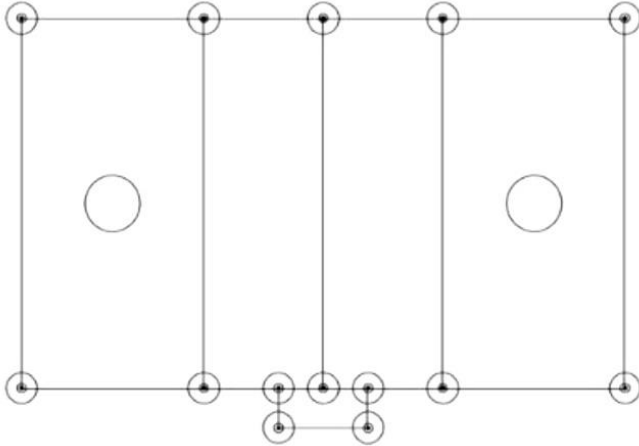

**12 Piece ProLine Kit:** Marks the left and right foul lines, aligns home, pitcher mound, second base, and deep center, plus the 1st base run out, and the coach's box of a baseball field.
