

# 4250 Airless™ Line Striping Machine

10003947

## Benefits

### Brighter Lines

The fully adjustable pump allows you to apply the perfect amount of pressure to produce high-quality lines without wasting paint.

### Easy to Use

The airless pump pulls paint directly from any standard 5-gallon pail. Its universal lid snaps on to prevent spills. Handle mounted spray controls and cushioned grips relieve operator fatigue when striping long lines on paved areas or athletic fields.

### Hassle-Free Cleanup

Color changes and clean up can be done in less than 5 minutes. Simply remove the pail with unused striping paint, place a half-filled pail of water or solvent (depending on the paint) on the machine, and flush the system.

## Product Features

<p><b>Detachable Spray Gun</b></p>		<p>A quick release clamp allows you to remove the spray gun to paint stencils, curbs, and hard to reach areas with the 25' extension hose. An optional rear flip down swivel caster (sold separately) is perfect for spraying arcs and circles.</p>
<p><b>Eliminate Waste</b></p>		<p>The 3000 psi adjustable pressure pump lets you spray perfect lines without wasting paint. You control the amount of pressure to apply which results in a higher quality line.</p>
<p><b>Straighter Lines</b></p>		<p>The 10" pneumatic tires and four-wheel design provides straighter lines when striping all types of surfaces, from rough athletic fields to asphalt parking lots to smooth concrete warehouse floors.</p>
<p><b>Easy Clean Up</b></p>		<p>The optional 1-gallon cleaning tank (sold separately) lets you clean your spray gun and hoses without leaving your job site or field. It quickly and easily attaches to the left side of the machine.</p>
